JOB EXPERIENCE

Computer Science Teacher

Georgian-American School

1+ years

5a Ilia Chavchavadze

- Teaching Pupils Most Functions of Scratch and Basics of **C++**
- Created **30+ lesson plans** and guided students to complete **3** games using **Unity** and **C#**

Full-Stack Developer

StemScale - PricePulse

1+ years

Online

- Helped Develop Price tracking platform **PricePulse**,
- Used **AI**, **React-Native**, **Typescript**, Database migrations, **Scrapers**, **AI APIs**
- Worked in a **team**, Fixed Problems, Built Solutions, Created tasks, **Lead** multiple Projects successfully.

Game Developer (Frontend/Backend)

OnAim

1+ years

Ilia Chavchavadze 23

- Developed **admin panel** for game gallery

EDUCATION

School: Komarovi #199 School of Physics and Mathematics

2016 - 2022

University: Free University

Bachelor of Computer Science and Mathematics

2022 - 2026

ACHIEVEMENTS

2016 Finished Top 5 in **Everesti** Mathematics Olympics

2019 - 2020 Finalist in **National** Mathematics Olympics

2022 Certificate, **NASA** Space-App Hackathon Local Winner

2022 Winner of First "School Start-Up Marathon" by **Alte University**

TECH STACK

Python Java C++ C# Unity
React-Native SQL JavaScript HTML/CSS
Scheme Pascal TypeScript PIXI
.Net Scrapers AI APIs

OTHER SKILLS

TOC OOP Algorithms and Data Structures
Calculus Linear Algebra
Discrete Mathematics Coding With AI
Testing Programming Methodology
Programming Abstractions Shopify
WordPress Microsoft Word Microsoft Excel

LANGUAGES

- English - C1

- Developed multiple **major features**
- Developed many 2D Games, both **Frontend** and **Backend**
- Used , **TypeScript**, **PIXI.js**, Database migrations, **.Net**, **HTML**, **CSS**, **Python**
- Worked in a **team**, Worked with **AI**, Fixed Problems, Built Solutions, Created tasks, **Tested** Features.
